As I write this column, Hurricane Hilary is about to descend on San Diego. I hope everyone made it through with no damage and no injuries.

In August we had a fantastic drive to Palomar Mountain and an equally fantastic picnic with about 6 cars. The weather was warm, but not too warm, the sky was clear and there was NO RAIN. One of the observatory docents gave a great tour from just the viewing area next to the telescope. Another great event for ZCSD.

This month's event will be Dyno Day at The Dyno Center in Santee on Saturday, the 9th, at 10 AM. Details are included later in this newsletter. Please invite all your car friends, including those who do not own Z's, so that we can continue the event at the Dyno Center.

The next meeting will be on September 5th, the day after Labor Day. I will be back from Ontario to lead the meeting.

Be healthy, be safe!

Z you on the road.

Michael

Great job Cliff !!!
