Now that it is officially Fall, I hope the temps get back to normal, whatever that is these days. Luckily for us in San Diego, we can continue to drive our Z's while the leaves change their colors.

Last month's event was the annual Dyno Day at The Dyno Center in Santee. About seven cars showed up and were dynoded including Phil's 260 masquerading as a 350Z. No big surprises, but I'm sure we will hear some stories at the next meeting. Thank you to Lenny and Sheri for a great meal and information about our cars.

YouTube has an interesting interview of Jack Nethercutt, Chairman of Merrill Norman Cosmetics, by Jay Leno, discussing his racing career titled "Jay Leno Interviews Jack Nethercutt".

This month's event will be a cruise to Desert Tower on Sunday, the 22nd. Details are included later in this newsletter.

Sunday, October 15th, will be another Datsuns and Coffee and Datsuns. Come out and see some fantastic old-school Datsun 510's, sport rosters, trucks, and of course Z's. Also, at the same time, the San Diego Automotive Museum in Balboa Park holds cars and coffee with FREE donuts and coffee in front of the museum.

Be healthy, be safe!

Z you on the road.

Michael

The year is going fast. There are @90 days left for the year 2023!! At least the weather is nice. No hurricanes or full scale downpours. We are lucky in that aspect of weather.

We will see what the agenda for the meeting is, hopefully there will be a guest speaker.

This will be our last year at El Torito, La Mesa for the Christmas party. The party is Saturday, December 2nd, which is before our meeting. Stay tuned.

Z ya at the meeting *Chuck*

DYNO DAY

SATURDAY, SEPTEMBER 9TH

Well Fall has come and so has the Dyno Day and BBQ.

As usual \$60.00 got your car on the Dyno to do a health check.

Phils V8 loaded S30 finally made it to the party and it sounded awesome, although Bill's corvette did out muscle him!

David's 510 looked good on the Dyno as did Courage's "N" line Hyundai Elantra! I also ran my Hyundai GT, like I have always said run any vehicle so you know how good or bad your motor is doing with fuel prices as high as they are you want to save money! Too lean and you can burn a hole in the head, you don't want that either.

Now as always the BBQ was going strong!

Thank you to all that participated.

Now for the bad news, if there is to be another Dyno Day the price is going up to \$100.00. The old price hasn't changed since the 1st Dyno Day many years ago. So we will bring it up at the next meeting. But it could very well be the last Dyno day.
